Associate Members

British Chambers of Commerce and similar organisations operating exclusively within the United Kingdom or outside of Europe and other representative business organisations not otherwise entitled to become full members of COBCOE

Who we Are

COBCOE represents and links 41 British chambers of commerce and about 10,000 businesses across 38 countries in Europe. In what is proving to be an increasingly tough business environment, we aim to provide synergies, ideas, resources and a unique business network for our members and in turn their own members.

Events

-  **Networking**
-  **High profile speakers**
-  **Educational**
-  **Representational**
